Summary

I'm a passionate, hard-working web developer with more than 2 years of experience in developing top-notch websites. I've worked for Saina Business Development Company as an intern for a year, and I'm currently seeking web developer jobs or projects where a strong understanding of cutting-edge technologies can be best utilized.

Skills :

- Web development
- Performance optimization
- HTML, CSS, and JavaScript
- Tailwind CSS
- Git & GitHub
- Astro
- Vue.js

Experience

Web Developer

Freelance

Jul 2021 - Present (2 years 1 month)

I create all kinds of websites for my customers using cutting-edge technologies; while producing a performant, well-coded, scalable, and beautiful website is my primary goal.

Web Developer

Saina Business Development Co

Jun 2021 - May 2022 (1 year)

In Saina business Development Company, I:

- Integrated advanced UI principles for user-centered design.
- Improved web design and usability through UX testing.
- Designed digital animations using Tailwind CSS and Vue.JS.
- Participated in pre-project analysis and technical assessments to ensure creation of user-friendly interface.
- Crafted seamless user journeys by optimizing interfaces for user access.
- Partnered with technical teams to align designs with hosting and site performance capabilities.
- Optimized site visuals and information processing by allocating space strategically.
- Managed online content using best practices in SEO to improve search rankings.
